**Writing:** A big thank you again for sending the pictures of the writing from last week. The students did a beautiful job! I can't wait to show their second grade teachers. Please make sure to keep this writing and turn it in next week on the packet pick up day. You may turn in any other writings that you have kept as well. This week I would love for the students to write a friendly letter, draw a picture, or even send a Christmas card to the little boy I told them about last week. His name is Graylon Posey and he is 4 years old. His wish is to receive mail. I thought this would be a great opportunity for our class to come together and help support Graylon and his family during this trying time. Graylon has a sister, Kami, who is in first grade. I bet she would enjoy some mail, too. I think it would be a great idea if each student could send them both something. Thank you! The address is: PO Box 185 Graniteville, SC 29829

### Math- Lesson 22.4 Different Ways to Subtract **OPTIONAL**

**Objective/Skill:** Use different ways to subtract.

**Activity:** Use a strategy to subtract problems. Do pp. 635-636 in the classroom workbook.

**Vocabulary words:** difference

**Essential Question:** What strategies can I use to subtract numbers?

I added a page to my website that has all of the Distance Learning assignments on it. You will see Day 3- present and all of the links that the students need to access. [Distance Learning](#). I also changed the homework page on the website to the daily assignments. It has on there what they need to do on a daily basis as far as assignments go. I will continue to update my page on Friday nights [Daily Assignments](#). You can also continue to find the weekly overview on my website [Week at a Glance/Weekly Overview](#).

For some fun brain breaks throughout the day, please visit [GoNoodle](#).

As always, please don't hesitate to reach out to me with questions, comments, or concerns. Continued prayers being sent to all!! Hugs to all of my students.

Blessings,  
Mrs. Sokolik
